

## Location #1 John's Bay

Around North Cedar Point is a little bay with a "beach." At west end of beach near a mid-sized Basswood tree is a downed log. Jug is tied to scrub Ash at base of log. 47 08.455 94 34.054

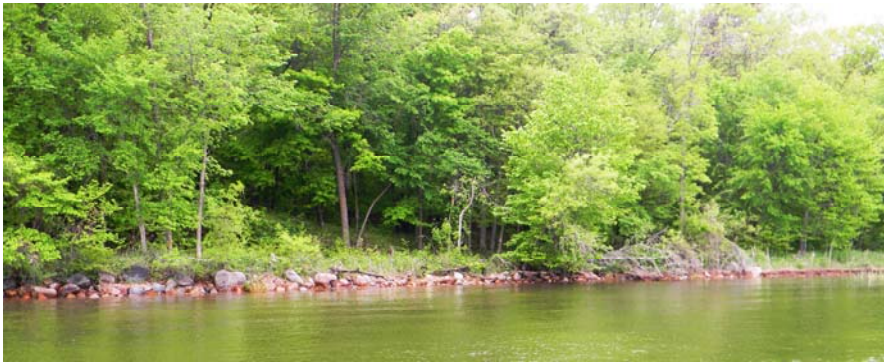

## Location #2 Two Points

At the NE end of the sand beach just SW of Two Points is a big rock with stripes. Jug is tied to Ash tree behind rock. 47 13.245 94 23.435

## Location #3 Bear Island

At the south end of Bear Island are steep, eroded cliffs. Just east of these cliffs is a gravel beach. At the east end of the gravel beach is a standing Birch tree. Jug is tied to Ash tree next to Birch. 47 06.228 94 17.824

## Location #4 Uram Bay

As you enter the bay, on your right is reeds & rice. Just beyond the reeds is a rocky shoreline. At the north end of that rocky shoreline is a beaver-created tree stump. Jug is tied to that stump. 47 04.755 94 27.103

## Location #5 Agency Bay

Enter Agency Bay from the Agency Narrows, follow south shore to the west. When you come to the fixer-upper home with no siding and no windows, you've gone 100' too far. Jug is tied to an Ash tree overhanging the lake near a downed Birch log. 47 06.180 94 31.906

## Location #6 South Walker Bay

From Walker, follow the west shore of Walker Bay south toward Pump House bay. The last lake homes on that shoreline have several boats on lifts. A couple hundred feet further south is a standing dead Birch right next to a big Pine tree. Jug is tied to that standing dead Birch. 47 04.375 94 33.661
